

WALLPAPER REPUBLIC

Peonies and Anemones Fabric

Made to order. Ships in 14-21 days.

Designed to add texture and femininity to a fresh white space without commanding it. Designed by the very clever Carmen Hui, a great floral fabric for subtle interiors – not too scary for those who are afraid of pattern or colour, and can add a beautiful softness to an otherwise stark white room. A white fabric that works well with neutral decor.

SPECIAL NOTES

Our fabric is sold by the vertical metre.

We offer samples for all of our fabrics. Samples are A4 in size (21cm × 29.5cm) to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how many metres you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
