

Tribal Mud Fabric

Made to order. Ships in 14-21 days.

A tribal design inspired by the centuries-old, hand-dyed textile art technique of Bògòlanfini (Mud Cloth). Authentic mudcloth takes two to three weeks to make by applying one to two coats of color-rich mud to undyed cloth. The patterns in the authentic creations often have names and meanings that are rich in history. Available in 4 colorways and as both wallpaper and fabric. This design will certainly help create a feeling of warmth and texture. They have an ethnic feel and at the same time embody that modern tribal aesthetic which is so on trend at the moment. Their graphic patterns and lines fit in well with so many other looks whether it's a Scandi style home or a bohemian hipster cafe. Tribal interior design focuses on reconnecting with the beauty of nature by using raw organic handmade pieces. The natural color palette and patterns make these textiles blend beautifully with neutral monochromatic tones. Linen and desert colours are traditional to this style but of late designers are teaming tribal pattern and finishes with exuberant splashes of colour – it's a tribal revival. All in all, Tribal Mud is a stunning mud cloth fabric.

SPECIAL NOTES

Our fabric is sold by the vertical metre.

We offer samples for all of our fabrics. Samples are A4 in size (21cm x 29.5cm) to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how many metres you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
