Autumn Path Wallpaper

Autumn Path is an abstract tie-dye wallpaper design perfect for the bedroom, living room and any other space in the home. It is a bold design that demonstrates the beauty of abstract dyeing where monochromatic levels of dye are poured and free to roam in a completely random fashion and follow its own path. Levels of tone build up walls of color and texture in folds and valleys in the layers of cloth and tell their own story leaving the designer with the only decision of when to stop.
