

SHIBORI

Aztec Suns Wallpaper

Aztec Suns is a geometric wallpaper that lends itself to an earthy bohemian interior style where patterns and layers are mixed and matched. It is an example of Nui shibori or stitch shibori. In this case, the stitch was used on the cloth to expose or cover sections of the design by stitching and pulling tightly to gather the cloth before submerging in a dye pot. Stitching gives flexibility and control to create a variety of designs, delicate or bold, simple or complex, graphic or bold. The scale of this design illustrates the amazing details hiding in Nui shibori.
