

Blooming Joy Wallpaper

The Blooming Joy design is a lively and energetic mural of garden roses and birds, full of jubilant possibilities. It is a free-spirited, Southern California take on classic chinoiserie designs. This pattern is drawn from garden roses that the artist, Danica Andler, photographed around Los Angeles. She was impressed how the growing season in Southern California never seems to stop. Even something like garden roses – which are thought of as manicured and luxurious, are lively and full of motion and growth in the Golden State. The design offers your space a laid-back-SoCal-secret-garden vibe.

Designed as panels that are 129.6" (330cm) high x 24" (61.5cm) wide

Each roll comes with 3 panels.
