

TIFF MANUELL

Blue Moon Mural

Blue Moon Wallpaper is a very mellow design inspired by the earth and sea, to evoke a sense of tranquility, where the ocean or river meets and layers over the land, both sand and soil. Tiff Manuell began the process of creating this abstract drip style painted wallpaper piece with a heavier base of acrylic colors and thicker paint to give it weight. She used darker colors first to give it depth. As colors are added they become lighter and slowly the paint thins to the point they become nearly transparent. This adds softness and lets the under textures and strokes form their own new hues.

Designed as panels that are 129.6" high x 24" wide. Each roll comes with 3 panels. When calculating the quantity required. Simply divide your wall width by the panel width. For example. 142" wide / 24" = 5.8 drops ≈ 6 Panels: 2 Rolls.
