

BETHANY LINZ

Botanical Gardens Mural

The Botanical Gardens mural is a reimagining of an original 18th century artwork from an unknown artist, transformed into a glorious haven that reminds designer Bethany Linz of her escapes to the Royal Botanic Garden in Sydney during the height of the COVID-19 pandemic. The design is highlighted by delicate foliage, perfectly manicured paths and a few guests enjoying the serenity of the stunning gardens.

Designed as panels that are 129.92" (330cm) high x 24" (61.5cm) wide.

Each roll comes with 3 panels. The horizontal pattern will repeat every 3 panels.

Note: Samples are provided for review of the material, pattern scale and print technique—they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallpaper may vary slightly from sample colouring.

Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
