

MAGNOLIA

Chinoiserie Wallpaper

Chinoiserie Wallpaper is a modern interpretation of the classic decorative, hand-painted panels originally seen in Europe in the mid 17th century. The wallpaper design features crawling vertical branches adorned by robust blooms and playful birds. Historically, this type of floral wallpaper has graced grand formal homes in Europe and the Americas but can perfectly introduce color, pattern and whimsy to any room. The painterly softer tones work beautifully across all areas of a home whilst the darker, moodier colors can add strength and substance to simpler stages.
