

Efflorescence Wallpaper

Delightfully romantic with nostalgic echoes of visits to country gardens and parks of times past. This design is gentle, romantic and would instantly fill a room with floral beauty and butterflies. This imagery is reminiscent of a giddy springtime day, fun, light and airy with lots of excitement and possibilities to come. Luxurious in its simplicity this palette of delicate Colors and uplifting hues will brighten any space, from small and intimate to open spaces hosting large events, perfect for celebrations. Multiple meanings have been attributed to flowers for thousands of years throughout Europe, Asia and the Middle East. Floral blooms, foliage, plants and specific arrangements were used to send a coded messages to special recipients, allowing the sender to express feelings which could not be spoken aloud in polite Victorian society. A romantic floral wallpaper sure to enliven any room.

This deeply layered and textured wallpaper is also available on 7 different fabric base cloths. Suitable for upholstery and drapery.
