

Eucalyptus Wallpaper

Eucalyptus is a vintage botanical wallpaper by artist Eloise Short. From her home in the Blue Mountains, she was lucky enough to be surrounded by stunning scenery and bushland where many varieties of the iconic Australian Eucalyptus plant are found to inspire this wallpaper. This design features the variation, Eucalyptus Tetragona. The design makes use of the natural structure of the plant to create a vertically climbing pattern. Eucalyptus is delicately hand-drawn, then digitally colored and comes in traditional colors as well as some alternative earthy color variations. This design has the feel and elegance of a traditional wallpaper with a modern twist.
