

LAZYBONES

Euphemia 4 Wallpaper

Make your house a home with this vintage nature wallpaper. Deeply aligned to modern bohemian trend, with its eclectic nature and vintage handmade. Its soft green background and floral trail would add a big dose of warmth to your interior.

The Royal Botanic Gardens Melbourne invited lazybones to produce an exclusive collection based on material from their archives. After much research they decided to concentrate on the flower painter, Euphemia Henderson (1822-1908). Euphemia had a passion for our native Australian flora. Inspired by this lazybones used her beautiful works as springboards for our new wallpaper designs. Royalties from this range will go to the Royal Botanic Gardens Melbourne.
