Felicity Fabric

With sumptuous colours inspired by folkloric forests, Felicity is abundant with the opulent flora and fauna described in children's fables. An adventitious utopia filled with skittish elk, sleepy owls and the scent of pine needles and gingerbread houses. The dreamy colour palettes and dense forest floor of flowers, berries and antlers are an escape from the mundane into a wonderland of the imagination. A colorful floral fabric.

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8-1/4" x 11-3/4") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
