

MILTON & KING STUDIO

# Geranium Wallpaper

Effortless in its elegance, Geranium is an exquisite design featuring an all-over floral repeat, reminiscent of traditional Indian block-printed designs. The subtle geometry and simplicity of the design create a sense of soft structure and balance, making this the perfect design for interiors needing a touch of calm and harmony.

Geranium pairs perfectly with other designs from the Palace Grove collection and can be used to create a sense of harmony and balance throughout the home.
