Hummingbirds Wallpaper

Hummingbirds Wallpaper is inspired by a childhood memory. Inspired by summers in Quebec, the artist remembers when she would be excited to observe the tiny hummingbirds gathering nectar from the trumpet-shaped flowers in the garden. The birds, which were absent the rest of the year, seem to know as soon as the flowers would bloom that it was time for them to make their entrance into the garden. In Native American culture, the hummingbird is a sign of luck and is often perceived as a healer. There is definitely something quite magical in the sight of a hummingbird as they often seem to appear out of nowhere and will vanish in the blink of an eye.

Catherine drew the bird of paradise flowers in this design from her New Zealand home's porch next to where an enormous bush full of these bright orange flowers is growing. Since moving to New Zealand, Catherine has been moved by the beauty of the colorful flowers popping up everywhere during spring and summer. This translates in her work by her choice of vibrant color palettes.

ROLL DIMENSIONS	24" (61.5cm) x 33ft (10.05m)
PATTERN REPEAT	24.2" (61.5cm)
PATTERN MATCH	Offset Match
FINISH	Pre-trimmed Butt Join
CLEANABILITY	Washable
USAGE	Domestic & Commercial
PRODUCT CODE	WR446FF
