

SHIBORI

Kanoko Wallpaper

Kanoko Wallpaper features a pattern of small imperfect circles creating a playful and quirky design. It is created using a Japanese binding of small sections of cloth with tight thread forming small circles. The thread creates the resistance protecting the cloth from the dye and can be used to form graphic illustrations or random patterns depending on the artist's intention. This interpretation of Kanoki takes this delicate traditional design and upsizes it for a modern and bold design. This design is available in five colorways including Grey, Indigo, Midnight, Peach and Willow
