

Layered Boho Fabric

Inspired by the elements typically seen in bohemian style spaces. A melting pot of colour, texture and pattern. Think soft, textured rugs, and textiles on nearly every surface. Jewel and earth tones that wrap you with visual warmth. Vines of green leaves that make you feel like you're in nature. A style that blends into different cultures and different times. Bohemian spaces look lived in. They encourage lingering and lounging. Their design conjures feels of looseness, casualness, effortlessness. Boho is a style that begs you to go maximalist to the max. But it's also a style that can be a little minimal, and subdued. It can tip its hat to other eras, blend with other styles, or contrast a little, too. However you design to go boho... chances are your space will look and feel relaxing with the addition of this beautiful boho fabric. Available in 4 stunning colorways, this design is perfect for both residential or commercial spaces.

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8-1/4" x 11-3/4") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
