

KEMRA

Library Card Wallpaper

Do you remember those classic drawers that were used in libraries in the days when the digital age was something out of a science fiction movie? Who would have thought that years later they would become a decorative and interesting design option. Wood reproductions of these little drawers are big sellers in the furniture world and thanks to this amazing wallpaper you can have the best of both worlds. The visually appealing look without the need to install a piece of bulky furniture in your room is a huge bonus for those who want to create an effect without breaking the bank. So realistic is this high quality designer wallpaper that we almost guarantee somebody will try and open a drawer.

SUSTAINABILITY

- Made to order within 2-5 days using the latest eco-friendly printing tech. That means no over-production and waste like regular wallpaper brands.
- Our PVC Free wallpaper base is sourced from sustainably managed forests.
- We print all wallpapers using odorless water-based ink. GREENGUARD GOLD Certified to standards for low chemical emissions into indoor air.
- Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

BATCHING & DELIVERY

- **Note:** Samples of this wallpaper are provided for review of the material, pattern scale and print technique – they are not intended to be used for color matching purposes. There can be slight shifts in color between runs, so your wallpaper may vary slightly from sample coloring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- All Milton & King orders are printed and shipped with love from Dallas, Texas.
- Industry leading production times on all orders.
