

Peonies and Anemones Fabric

Designed to add texture and femininity to a fresh white space without commanding it. Designed by the very clever Carmen Hui, a great floral fabric for subtle interiors – not too scary for those who are afraid of pattern or colour, and can add a beautiful softness to an otherwise stark white room. A white fabric that works well with neutral decor.

SPECIAL NOTES

Fabric Care Instructions

Please view our complete fabric care and stain removal instructions [here](#). This care guide has been compiled to help you select your chosen fabric with confidence and to maintain the feel, comfort and appearance of your fabric throughout its lifetime.

If you have any questions please email or [contact us](#) through one of our many touch points. We're more than happy to help!

Waterproof Upholstery

We can manufacture our designs to meet commercial requirements and more. Including Polyester with Waterproof Backing, Soil Release Finish, and Antibacterial & Antimicrobial. Fabrics designed to resist the rigors of high spillage areas. Contact our trade department to discuss the possibilities or [schedule a callback](#) with one of our trade representatives at a convenient time for you.
