Cactus Wallpaper (Simcox)

Originally inspired by 1950's printed linoleum, this cactus wallpaper design combines baroque lyricism with a floral motif. It is a coming together of different influences and eras, making it truly eclectic. Combining the romance of exotic lands and travel to places far away. The cactus flower symbolises warmth, protection, endurance and strength, not to mention great beauty. Cactus wallpaper Colors range from white through yellow and red to magenta. This is a European style paste-the-wall wallpaper.
