

# Sophie's Garden Fabric

Young Sophie loves spotting all the butterflies and bees that make their home in the backyard garden. Sophie's Garden is hand-painted, cut out then put back together creating layers within the flowers, this gives the flowers a three dimensional look across the fabric. This kids design is abundant with plants and flowers that will give your room a playful sensibility.

## SPECIAL NOTES

Our Sophie's Garden fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8-1/4" x 11-3/4") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
