

BETHANY LINZ

Summer Garden Fabric

This fabric is inspired by an Indian summer garden at dusk, when the flowers are at their most aromatic. All the insects are buzzing around the flowers just before they pack up and head home for the night. The summer garden is dense with large leaves as the birds and butterflies frolic throughout the fabric.

This botanical fabric design would be perfect for a sofa, bedding or fantastic set of curtains. Choose from 3 stunning colorways including Charcoal, Ivory & Pink

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8-1/4" x 11-3/4") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
