

BETHANY LINZ

# Wisteria Vine Wallpaper

A love letter to a classic floral favourite, Wisteria Vine wallpaper is Bethany Linz's homage to her home in Sydney, Australia. Upon moving in, she planted a beautiful oriental variety of wisteria to decorate her front porch, but over the years it has refused to flower – leaving a lush vine with no flowers in sight. Beautiful in spite of the missing florals, this design is an elegant homage to traditional chinoiserie style and creates the perfect backdrop for any interior that needs a touch of subtle sophistication.
