

SIXHANDS

Zephyr Fabric

Quiet & reflective, inspired by a nostalgic sense for admiring the little things, finding landscapes and faces in butterfly wings and castles in the clouds. Dreamy textures & facets meld together in porcelain hues with a dash of dawn's peachy glow. A beautiful butterfly spotted fabric.

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8-1/4" x 11-3/4") to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
