

BETHANY LINZ

Monkey Palms Fabric

Made to order. Ships in 14-21 days.

This hand-painted children's fabric consists of cheeky monkeys playfully swinging and running amongst tropical palm trees. It makes for a great kids fabric and would also be a perfect fit for a nursery.

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8.27 × 11.69") to show colour and quality. We highly recommend purchasing a sample first to check colours. Please note our samples are pre-cut and intended for colour matching purposes, so while they will contain all the colours of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, colour variations may occur from batch to batch. Colours will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
